A The financial condition of the ml cl is not sound, as seen from the budget Estimates of the cl for the current year.

B The ml cl may perhaps be permitted to levy tolls at the rates sanctioned for the ~~~~ Gubbi ml cls on condition that no toll is levied on empty laden trappe hired for orders.

Nimm 5/12 Against "bullocks" a rate of Rs 0-2-0 per annum is proposed in the letter while the notification published shows that the rate is Rs 2-0-0 a year. The rate of toll is to be fixed for each entry and not for the year. As regards other vehicles, the rates are proposed for each day. The correspondence is not clear as to the precise time at which the day is to be presumed to commence and when exactly

The recommendation of Major Allen that Mr Mudd should be kept busy by establishing Mfanchi Bay seems unwise at this juncture.

In reference to 'Bay' means the time for redemption mentioned in the Land Act Manual. Mfanchi is a town Mudd and they may be asked to frame necessary bills in accordance with the provisions of the Act Manual as framed by Mr Mudd. They should do this by means of a letter which should contain a schedule providing necessary exemptions.

Application for the levied by Bay or a Composite fee may be made. Composite fee is now prevalent only in Mudd bills. The Mudd Ch
